*"Serving the Nation is not only our Duty but also an Opportunity"*

**SOLAR STREET LIGHT SINGLE ARM****DOUBLE ARM LIGHT****HIGH MAST LIGHT**

### Solar Street Light Installation by IRDP

IRDP extends its proficiency to the realm of sustainable infrastructure by offering comprehensive street light setups integrated with solar panels.

Leveraging innovative technologies, IRDP ensures efficient and eco-friendly illumination solutions for public spaces. From strategic placement of solar panels to the installation and maintenance of solar-powered street lights, IRDP is dedicated to fostering environmentally conscious urban development. Rely on IRDP for reliable and energy-efficient street light setups that contribute to a greener and more

**SOLAR HOME LIGHT SYSTEM****SOLAR LANTERN****SOLAR TABLE LAMP**

## Health Check-up and Medicine Distribution Camp

**IRDP has accomplished Health Camps for RITES Ltd, & through various PSUs to maintain a healthier countryside. Our small steps make a huge impact on society.**

Our Health Check-up and Medicine Distribution Camp provides essential healthcare services to underserved communities. Through this initiative, we offer medical check-ups and distribute necessary medications to improve overall well-being. Join us in making healthcare accessible to all.

## Skill Development Training Program of Farmers in Modern Farming Practices

### **Ist & IInd Skill Development Training Program of farmers in Modern farming Practices in area of Uttar Pradesh along with Delhi -Meerut - Ghaziabad RRTS Corridor.**

The Ist and IInd Skill Development Training Programs, initiated under NCRTC's CSR activities, aim to enhance the agricultural skills of farmers in Uttar Pradesh and the Delhi-Meerut-Ghaziabad RRTS Corridor by focusing on modern farming techniques. These programs cover key components such as hydroponics, organic farming, precision agriculture, post-harvest management, and market linkages. Farmers are trained in soilless cultivation with nutrient-rich solutions, organic fertilizers and pesticides, and the use of technology like drones and sensors for data-driven farming. They also learn best practices for harvesting, storage, and connecting with local and global markets, including e-commerce platforms. The benefits include enhanced practical knowledge, improved productivity and crop quality, sustainable practices with reduced chemical use, and increased income through efficient farming and better market access. These programs, driven by NCRTC's commitment to corporate social responsibility, are crucial for transforming traditional farming and driving agricultural development in the region.

## Mobile Health VAN

Under LIC GOLDEN JUBILEE FOUNDATION, the Mobile Health Van initiative delivers essential healthcare services to underserved and remote communities, ensuring access to quality medical care and improving health outcomes.

## Sanitary Kits Distribution to Girls & Awareness Program

The Camp for Sanitary Kit Distribution to Girls and Awareness Program aims to improve menstrual health and hygiene among young girls. It provides sanitary kits and educates participants on proper usage and disposal. Through workshops led by healthcare professionals, the program addresses menstrual myths, promotes hygiene practices, and encourages open conversations to reduce stigma. By offering a supportive environment and resources, the camp empowers girls, helping them maintain their health and continue their education without interruptions caused by menstrual issues.

## Program for Cycle Distribution to Girl Students Under CSR

Our CSR program distributes bicycles to rural girl students, enabling easier access to education, fostering empowerment, safety, and environmental responsibility. These bicycles not only improve attendance but also promote independence and physical well-being. Join us in empowering these students for a brighter future.

## Artificial Limbs & Wheelchair for Divyangjan Distribution Camp

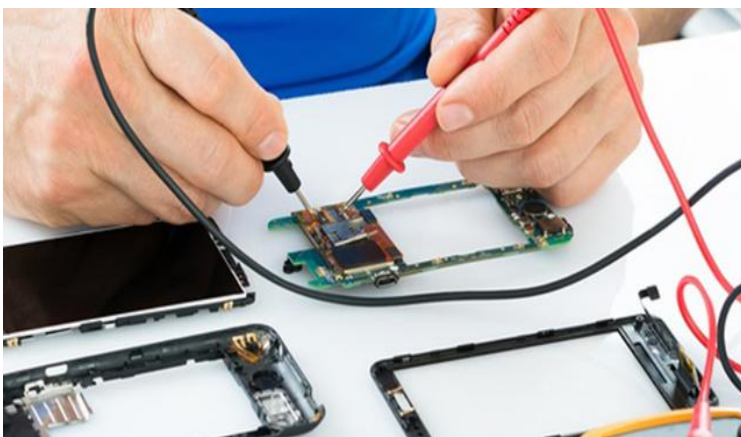

Our Professional Doctors visits village to village to identify the Persons with amputation and Physically Disabled and make their lives productive by fitting them modern technology based Artificial Limbs and wheelchairs. This is a noble cause which can only achieved through IRDP.
